

Product: Sprint V
Subject: Sprint FGA Availability

21/6/2013

The Sprint V product is now obsolete and no longer available for sale. As previously announced; we will honour product warranties and strive to support the product in terms of spares and repair until the end of March 2018.

The current **Sprint eVo** product is distributed exclusively by our partner: Anton Industrial Services Ltd (http://www.anton-group.com/flue_gas.htm). Sprint eVo is available for sale and use in the **UK and Ireland only**; the product does not support fuel types or languages required for other markets (eg Europe). **Crowcon nor Anton can support sales outside of the UK and Ireland.**
