

Notice of Obsolescence

Date: 09/12/2013

Product: **CellarSafe**
Part Number: **99F38*****

Production of CellarSafe will cease on the 28th of March 2014. CellarSafe has been in production for 11 years, and has reached the end of its design life. Customers wishing to purchase new units should contact Crowcon for advice on availability by the 28th of February 2014.

The current lead-time for CellarSafe is 5-10 working days.

Crowcon will endeavour to maintain spares availability and support for the product until April 2019. This support period cannot be guaranteed however, as components may become unavailable from suppliers.

Alternative products available from Crowcon are:

Xgard IR CO₂

Xgard Type 1 Oxygen
