

Crowcon Technical Note

Document Reference: GEN075 - Notice of Obsolescence
Date: 29/1/18
Document applies to: TXgard and Flamgard Fixed-Point Gas Detectors
Issue: 1

Production of TXgard and Flamgard ceased in December 2008, and now Crowcon is no longer able to supply spares for TXgard and Flamgard detectors. This includes the following variants: TXgard-IS, TXgard-D, TXgard-HS, Flamgard Exe, Flamgard 4-20 and Flamgard HT. Crowcon has maintained supply of spares for as long as has been practical, however it is now no longer possible to manufacture new items. **Note - Spare sensors and sensor housings remain available.**

Alternative products available from Crowcon are:

XgardIQ: Flameproof and intrinsically safe toxic/oxygen/flamnable gas detector with display

TXgard-IS+: Intrinsically Safe toxic/oxygen gas detector with display

Xgard Type 1: Intrinsically Safe toxic/oxygen gas detector

Xgard Types 3, 4 and 5: Exd flammable gas detector
