

# Crowcon Technical Note

**Document Reference:** GEN077 Notice of Obsolescence  
**Date:** 26/2/18  
**Document applies to:** In-Line Power Supplies – Gasman, T3 & Triple Plus+  
**Issue:** 1

The following range of in-line power supplies or power supplies with no plug are now unavailable for purchase due to low demand and obsolescence issues. Multi-region power supplies continue to be available for these products and part numbers are shown below.

## Gasman

Obsolete Part Number	Obsolete Part Description	Alternative Part number	Alternative Description
C011012	Single way charger/interface 230V in-line power supply, no plug	C011319	Single way charger/interface with multi-region power supply (includes UK, EU, US and Australian plug adaptors)
C011010	Single way charger/interface 110V in-line power supply, no plug		
C01950	Single way charger/interface with 90-260V in-line power supply		
C011012	Single way charger/interface 230V in-line power supply, no plug	C011319	Single way charger/interface with multi-region power supply (includes UK, EU, US and Australian plug adaptors)
C011010	Single way charger/interface 110V in-line power supply, no plug		
C01950	Single way charger/interface with 90-260V in-line power supply		
E01552	Power supply for charger 230V no plug	C03580	Multi-region power supply (includes UK, EU, US and Australian plug adaptors)
E01553/1	Power supply for charger 110V no plug		

## T3

Obsolete Part Number	Obsolete Part Description	Alternative Part number	Alternative Description
C011035	Single way charger with 230V in-line power supply (no plug)	C011313	Single way charger with multi-region power supply (includes UK, EU, US and Australian plug adaptors)
C011036	Single way charger with 110V in-line power supply (no plug)		
C011023	Single way charger with 90-260V in-line power supply		
C011037	Single way charger/interface 230V in-line power supply (no plug)	C011312	Single way charger/interface with multi-region power supply (includes UK, EU, US and Australian plug adaptors)
C011038	Single way charger/interface 110V in-line power supply (no plug)		
C011027	Single way charger/interface with 90-260V in-line power supply		

## Triple Plus+

Obsolete Part Number	Obsolete Part Description	Alternative Part number	Alternative Description
C01550	Charger with 230V power pack without plug	C011321	Charger with multi-region power supply (includes UK, EU, US and Australian plug adaptors)
C01551	Charger with 110V power pack without plug
