

## Notice of Obsolescence

Date: 15/02/2013

Product: Nimbus  
Part Number: NIM-\*\*\*\*

Production of the Nimbus IR gas detector will cease on the following date: 27/09/2013. Nimbus has been in production for more than 13 years, and has been superseded by Crowcon's premium IR gas detector: IRmax. Customers wishing to purchase Nimbus should contact Crowcon for advice on availability during the period of this notice to the final date shown above.

Crowcon will endeavour to maintain spares availability and support until at least September 2020. This support period cannot be guaranteed however, as components may become unavailable from suppliers.

Alternative products available from Crowcon are:

IRmax infrared hydrocarbon gas detector

Features:

- Display and non-intrusive calibration
- 316 stainless steel construction
- 3<sup>rd</sup>-part SIL 2 certified
- HART communications

A handwritten signature in black ink, appearing to read 'A. Avenell'.
